

## Packing List for COA Summer Camp

First of all- you are welcome to bring your own gun, ammo, and hunting knife- but all must be labeled and if you can, pack separately, because we will collect these first and store in our locked gun room. Guns will be collected by our staff during drop off on the East side of the house. You can bring your own fishing pole & tackle box also- please label!!! It's helpful, but not necessary to have your own hunting gear. Many campers bring hunting back packs with their own binoculars, etc... but again, please LABEL EVERYTHING!!!!!! \*You will need a hunting license (in-state youth license cost \$7 and you can get at any Wal-mart or sporting goods store) Campers will need to keep the hunting license with you when you go out hunting.

Bedding- PILLOW- sleeping bag or twin sheets & blanket

Toiletries (don't forget your toothbrush☺)

4-5 shorts

3 towels & 2 washcloths

7-8 t-shirts

Laundry bag

3-4 hunting clothes- jeans & camo/dark shirts

Sunscreen & bug spray

2 pair of pajamas

Sturdy shoes for hunting (athletic shoes or boots)

8 pairs of underwear

Shoes for river- there are sharp rocks in the river

8 pairs of socks

Bible

1-2 swimsuits

Optional- \$ for concession stand

What NOT to Bring- Phones, Electronics, Vapes, Drugs, or Alcohol We will collect all phones. Tell the campers not to panic! We want to encourage actual conversations and a social media drama free week. COA will post pictures on the COA FB page for parents and friends to follow during the week. We will let them use a staff's phone, usually Amy's to get clarification, if needed, on how you want the game prepped for taxidermy.
